

# THE FIONA REYNOLDS ALL SCHOOLS MATCH 2014

<http://fionareynoldsallschools.webs.com/>

Dear Shooting Manager,

By way of introduction, I'm David Rose, MiC of New England Girls' School (NEGS) Rifle Club. Most of you would already know NEGS through shooting at GPS and the All Schools .

As you may already heard, NSWRA/MDRA are unable to accommodate the All Schools Match at ANZAC Range Malabar, however North Shore DRA has kindly agreed to host the match at Hornsby Range.

Due to a conspiracy of circumstance, I have been designated the reference person in the organisation of this year's Match.

Some match conditions have had to change to accommodate the change of venue. We are heavily constrained by time, losing an HOUR from previous years, hence tight timing and the addition of a second 600m in lieu of 300 metres and associated relocation.

The aim is to provide a valid competition comparable to the Match as contested at Malabar, including the aggregate score, and to be consistently fair to all entrants.
